A rustic living room with a large window, a sofa, and a chair. The room features a dark wood sofa with patterned pillows, a blue and white patterned armchair, and a wooden coffee table. The floor is made of wide, dark wood planks. The walls are dark wood, and the ceiling has exposed beams. Three circular pendant lights with warm-toned bulbs hang from the ceiling. A large window on the right side of the room offers a view of a forested landscape. The overall atmosphere is warm and inviting.
